## ***Who we are:***

Prime Timers is a social organization for older gay and bisexual men. Our members' social lives are enriched by many diverse activities. No single definition can describe Prime Timers, as they come from all walks of life. Members of Prime Timers are fathers and caregivers. They are businessmen and entrepreneurs. They are workers and they are retired. Some are always on the go, and some enjoy the quiet company of others at home.

Prime Timers involve themselves in their community with volunteerism, politics, gay issues, arts, entertainment, medical issues, support groups, and every other facet of healthy living. But one thing is true of all PrimeTimers Worldwide: they enjoy the opportunities, support, camaraderie, and friendships that develop with other Prime Timers throughout the world.
